

Dear Guest,

We are happy to welcome you soon to the Alpenblick #2 townhouse in Aspen. The address is 630 S Mill St, Aspen, CO 81611, south of the Hyatt Grand Aspen and east across the street from the St. Regis Residence Club. See arrow and parking area below.

The entry door and ski locker are operated with a code made up of the 4 digits of your arrival month and day, ie

"1231" for December 31st.

Once settled in, please visit Frias Properties in their office (blue star) to request a parking permit for the duration of your stay. Let them know that you are guests of "Middelberg, Alpenblick #2" and indicate your departure date. One spot is available in front of the complex with street parking all around.

The Alpenblick pool is located between the two northern Alpenblick buildings just a few doors down when you exit left. The ski locker is located directly across the pool and shares the same code as the front door.

Please place ski boots and outdoor shoes in the dedicated hall closet. Our floors and the neighbors will thank you immensely.

The free wifi password is Alpenblicks07.

Trash and recycling is located past the pool in a dedicated building near the bike rack. Our concierge, Tish Jimenez, is available to address any immediate concerns at 970-948-9195. Alternatively, please call me directly at 858-349-7572.

As a reminder, pets and outdoor cooking activities are not allowed by the homeowners' association

Have a wonderful stay at the Alpenblick and please leave us your impressions in the guest book located on the bar.
